(509) 251 8651

Motivated by people. Passion for making others feel seen at work, through design, and in my personal life.

projects

Design Intern, Eastern Washington University: Cold Millions Exhibition

Designed 15-ft vinyl wall graphic + wall panels, object cards, retractable banner.
Created modular hierarchy for legibility at distance; delivered print-ready large-format files.

KNRD Brand Guidelines

Built guidelines: logo rules/variants, typography, color, patterns, letterhead + templates
Delivered brand guides document for consistent print and communication output.

Merch Ecosystem: Anomen

Integrated Shopify + Printify into website ecosystem to sell original shirt designs.
Designed product graphics + presentation assets for consistent storefront output.

experience

Serving / Bartending 2021 - present

Coordinated with team, managed staff responsibility, maintained quality work environment.
Provided high-quality, friendly dining experiences in high-pressure environments.

Sales 2022 - 2023

Handled client issues, enabling quick resolution, and satisfaction.
Participated in team meetings to reinforce goals and objectives and set clear expectations.
Trained sales personnel and wait staff to maintain execution of quality standards.
